

### Who wants to be an ENGINEER? I DO!

Come & enjoy the last days of summer learning about the importance of ENGINEERING & STEAM education in exciting & fun ways. Give it a try & think outside of the box!

Presented by:  
Shioban Moran

4th year University of Illinois at Chicago Civil Engineering Student

Proud Evergreen Park resident; attendee & graduate of NE (attended Early Childhood), SE (K-3rd), SW (4th-6th) Grammar schools; Central Middle School & Evergreen Park Community High School

**WHAT:** Learn about the importance of Engineering & STEAM education; Do 3 fun engineering/STEAM activities; Listen to Shioban read an engineering book for kids

**WHEN:** 8/10/2023 Thursday 3-5pm

**WHERE:** Evergreen Park Public Library

**WHO:** 3rd-8th graders (Parents welcomed to help their little engineers-to-be)

**WHY:** Have a fun time & enjoy the last days of summer learning something new!

### How did I get here?
